New Student Login Instructions-www.factivation.com
Updated 8/21/2011
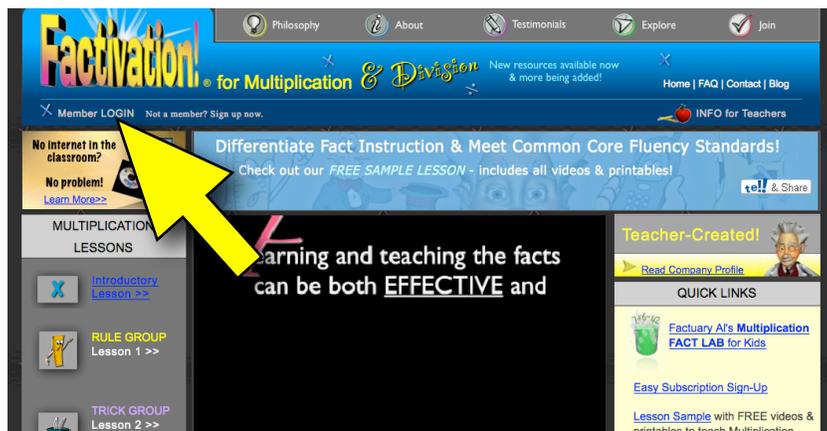

Step 1: From homepage, have students click Member Login. They should be taken to screen 2.

Step 2: On screen 2, choose the second option: "I am a student with a class membership."

IMPORTANT: If you do NOT see this screen, then you are looking at an outdated version of the login page. To fix this, clear your browser s cache. See how/why:

Step 3: On screen 3, have students listen to the robot's instructions, then click the blinking "Login" button. The username is **your last name** and password is **your last name and the year you started your Factivation!® membership**.

Example:
Username: smith
Password: smith2010

IMPORTANT: If you do NOT see this screen, then you are looking at an outdated version of the login page. To fix this, clear your browser s cache. See how/why:
